

REMARKS

This Amendment preliminarily amends the application. More particularly, new Claims 32-39 have been added. No new matter is added by the addition of these new claims. Rather, these claims are provided to more particularly define the invention as originally filed.

No amendments have been made to Claims 1-31.

Accordingly, Claims 1-39 are pending in the application and are presented for consideration and allowance. Favorable action is respectfully solicited.

Should the Examiner consider that amendments are necessary to place the application in condition for allowance, the favor is requested of a telephone call to the undersigned counsel for the purpose of discussing such amendments.

The Commissioner is hereby authorized to charge any fees in connection with this communication to Eastman Kodak Company Deposit Account No. 05-0225.

Respectfully submitted,
